Dear Parents

Bryandale Primary have purchased PURPLE MASH, and as an added value, have offered this to parents at no additional cost.

Purple Mash is an online program which offers a range of creative tools as well as curriculum focused applications to support and inspire children throughout the curriculum. The program offers an extensive range of software.

Simply go to www.mashlogin.com/bryandale. Type your child's user name** (their school user name which is their pupil number) and then their password, which is "1234".

If you still have difficulties, contact our offices, and we will help you through it.

011 656 8847, or email support@2simple.co.za or sms 0833268775 or 0845024777.

DON'T CONTACT THE UK OFFICE FOR A TRIAL. THIS WILL ONLY COMPLICATE THE PROCESS.

I am sure that your child will thoroughly enjoy the program.

Happy Mashing,
The 2Simple Team

** The children use their pupil number to log onto the school network. The same number has been used for Purple Mash. The number is your account number, with a "p" in front.
