

The Bryandale Learning Center (BLC) was established by Bryandale Primary School as a service to the pupils, parents and teachers of Bryandale Primary School with the aim of providing an integrated approach to therapy, in a convenient and cost-effective way.

The Bryandale Learning Centre is situated on the school property. A multi-disciplinary team of therapists run the BLC in a private capacity. The therapists are committed to close liaison with the teachers of pupils they are working with, discussing their progress through verbal or written reports. The proximity of the Learning Centre to the school means greater convenience for parents and facilitates therapy during the child's school day. The therapists involved include:

Educational Psychologist	
Julie-Anne Roberts	083 528 9632
Occupational Therapist	
Meg Allen	084 693 2337
Remedial Therapists	
Shanette Stevenson	082 332 1371
Irene El Naddaf	076 920 5735
Speech Therapist	
Stephanie Jardine	078 162 4257
