## Message from the Principal

### Welcome to Term 2

A crisp morning, amidst autumn's coat of many colours, greeted us as we welcomed Term 2. The school day went as planned and it was back to the matters of teaching and learning.

Whilst the threat of the next wave lurks in the background, the school has planned for the term ahead. We will continue to urge the Bryandale community to practice all COVID-related safety measures if we hope to have a full term without any COVID-related disruptions.

From a teaching and learning perspective, the curriculum becomes more intensive. Our learners will need to maintain their focus and keep their work ethic up to speed in anticipation for the mid-year exams in week 7. The Grade 4 and 5 learners will benefit from a Study Skills session during the term, as this will help them to prepare for the exams. The respective Grade Heads will provide more information on this via an email to the parents. The Grade 6 and 7 learners have been exposed to these sessions previously.

An appeal is made to our parents to respect the school term and not plan holidays during this time or keep children at home without a valid reason. The exception would be COVID-related cases and children who are sick. It must be stressed, once again, that if your child is showing any signs of being sick in the morning, please do not send them to school.

Education has been a casualty for the last year and we need to revive the attitude towards it. Your pledge to this, would be most sincerely appreciated.

Yours in education.

Mrs T. Suklal
